

week8_server.ServerInitializer.main

```
graph LR; A[week8_server.ServerInitializer.main] --> B[week8_server.ServerListData.getServer];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'week8_server.ServerInitializer.main'. The right box is white with a black border and contains the text 'week8_server.ServerListData.getServer' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.
